

“Weeds and Herbicide” course

**Is your community group active in weed control?
Do you use herbicides to help control weeds?**

The Southern Tasmanian Weed Strategy (STWS), in conjunction with Southern Tasmanian Councils Authority, NRM South and TAFE Tasmania, will provide an accredited two-day training course for members of community groups in the Southern NRM Region. The course will provide information on -

- Weed identification
- Integrated weed management
- Basic chemical and safety rules
- How to prepare and apply chemicals
- How to treat weed

This course is specifically designed to meet the needs of Community groups active in weed control in the Southern NRM region.

When: Wednesday 18th and Thursday 19th June between 9:00 and 4:00 pm

Where: Hobart, venue to be confirmed

What to bring: Pad and pens, lunch. As the course will be a mix of field and class work, Sun/Cold protection gear and shoes suitable for field work, will be required.

Cost: Course will be provided free of charge to community group members (normal cost of \$253 per participant will be paid by STWS). Tea/coffee also provided.

Outcomes: Participants who successfully complete the course will be given a ‘Skills Passport’, demonstrating and acknowledging achievements.

Course numbers are strictly limited.
